RENTAL TERMS AND CONDITIONS

1. The RENTER shall keep and maintain the rented equipment and/or clothing during the terms of the rental at his/her own cost and expense. He/She shall keep the equipment and/or clothing in a good state of repair, normal wear and tear excepted.
2. The RENTER shall pay the OWNER full compensation for replacement and/or repair of any equipment and/or clothing which is not returned because it is lost or stolen or any equipment and/or clothing which is damaged and in need of repair to put it into the same condition it was in at the time of rental, normal wear and tear excepted. The OWNER's invoice for replacement or repair is conclusive as to the amount RENTER shall pay under this paragraph for repair or replacement.
3. The equipment shall be delivered to RENTER and returned to OWNER at the RENTER's risk, cost and expense. If a periodic rental rate is charged by OWNER, rental charges are billed to the RENTER for each period or portions of the period from the time the equipment is delivered to RENTER until its return. If a term rental rate is charged by OWNER, rental charges are billed to the RENTER for the full term even if the equipment is returned before the end of the term. If the equipment is not returned during or at the end of the term, then the rental charges shall continue on a full term basis for any additional term or portion thereof until the equipment is returned.
4. No allowance will be made for any rented equipment or portion thereof which is claimed not to have been used. Acceptance of returned equipment by OWNER does not constitute a waiver of any of the rights OWNER has under the rental agreement.
5. The RENTER shall not pledge or encumber the rented equipment in any way. The OWNER may terminate this agreement immediately upon the failure of RENTER to make rental payments when due, or upon RENTER's filing for protection from creditors in any court of competent jurisdiction.
6. The OWNER makes no warranty of any kind regarding the rented equipment, except that OWNER shall replace the equipment with identical or similar equipment if the equipment fails to operate in accordance with the manufacturer's specifications and operation instructions. Such replacement shall be made as soon as practicable after RENTER returns the non-conforming equipment.
7. RENTER indemnifies and holds OWNER harmless for all injuries or damage of any kind for repossession and for all consequential and special damages for any claimed breach of warranty.
